Summer Rundown

Now that Summer is in full swing, be on your toes for changes to the Refuge program! Instead of meeting at Chelton on Wednesday nights, both the middle and high school ministries will be combined at various homes for swimming and games. Directions to each home can be found on the back side of the newsletter. As fall approaches we will be back to our regular meetings but this summer we want to provide time for some simple fun and fellowship as many families will be on vacation.

Also, you may have noticed that there has been a change in our calendar and newsletter. Namely, there is no calendar! ALL of our refuge events and activities can be found in the "Events Quick Reference" section in the box directly below. More details about specific events can be found in the left hand column.

This summer we will be providing a time for students to meet with leaders one-on-one or in small groups for deeper discipleship and scripture memory. For more details or if you are interested in participating in summer discipleship please contact Conor O'Hearn.
